OLD BUSINESS

Discussion: Hiring an in-house Building Inspector (Mayor Nebel).

Mayor Nebel asked why the Town Couldn't hire an in house building official.

Councilor MacFarlane said that in the past meetings it didn't seem cost effective to hire an in house Building Official.

Mayor Nebel said that the Town needed to get with Alpha regarding pricing.

Councilor Sears said that this isn't a last-minute thing and has been advertised with no response. So, he reached out to Alpha to bid and also talked to the Lake County Building Department. When he talked to Alpha Inspections, they were looking at an 80/20 split. **Mayor Nebel** who is the 80%. **Councilor Sears** replied Alpha Inspections. **Councilor Sears** then said that the Town has three options at this point. They could go with an outside inspection company, hire an in house building official or go with Lake County.

Councilor Scott said that the Town needed to look into the future. Use a contract for the next couple months then hire someone.

Councilor Conroy said that it wasn't easy to just hire someone.

Councilor Sears said that he has one person reach out to him interested in being hired by the Town as a building official and was looking to start out at \$65,000 to \$67,000.

Mayor Nebel said that it is the senses of the Town Council to let it ride for now and convey in January or February.

Councilor Sears said that Alpha Inspections has Fruitland Park who services The Villages. How will they service Howey with that kind of volume? Then with Lake County it becomes the control factor. For example the Town used them years ago and they didn't adhere to the Town's shed zoning.

Consideration and Approval to Expend \$52,556.70 on Police Body Cameras.

Councilor Conroy said that \$12,000 was budgeted this year and that the agreement is a five year expenditure. **Chief Thomas** replied yes.

Councilor Scott said that in his own experience the body cameras are worth it. He called the company and discussed the agreement and was pleased with what they had to say. He then said that he doesn't agree with the number of cameras but he talked to Chief Thomas and that all 14 were needed.

Mayor Nebel asked if they were better than a car camera. **Chief Thomas** said that they are the same price however the body cameras will reduce complaints and liability due to mobility.

Mayor Nebel asked if the Lake County Sheriff's Department had car cameras. **Chief Thomas** replied yes but different agencies do different things.

Mayor Pro-Tem MacFarlane said that she needs justification for the body cameras. **Chief Thomas** replied that the body cameras help if people make complaints about the officers. He already ran into a group who tried to accuse an officer of something and the video proved them wrong. **Mayor Pro-Tem MacFarlane** asked if Chief Thomas had documentation of these allegations. **Chief Thomas** replied that he keeps a ledger.

Councilor Conroy said that he was on the fence about it until he talked to Chief Thomas and he agreed with his reasoning.

Chief Thomas said that the body cameras work with the tasers that the officers have.

Councilor Conroy asked for the best practices.

Councilor Scott said that the Police Department needs a body camera policy.

Mayor Pro-Tem MacFarlane asked if the contract was annual. **Chief Thomas** said that the contract can be canceled at any time.

Chief Thomas said that they are provided new body cameras every two years and if they go the length of the contract they get new body cameras at the end.

Marie Gallelli, 1104 N Tangerine, said the policy should be that they automatically turn on. Also if signing the contract for five years does it hold the price. **Mayor Nebel** said that he would have Town Attorney Ramos review.

Matthew McGill, 119 E Croton Way, Have a policy in place for all of it.

Elwis Benson, 406 S Florida Ave, agrees with the body cameras however not with the amount of cameras being purchased. (14 body cameras). Who downloads the video? Chief Thomas replied that it is the officer's duty. **Elwis Benson** said so there is no extra personnel or time needed.

Bernard Alimenti, 205 E. Magnolia Ave, agrees with the body cameras but would like discipline in the policy if not followed.

Councilor Scott asked if Chief Thomas would bring back the policy to be reviewed by the Town Council in January. **Chief Thomas** replied yes.

Councilor Conroy seconded by Mayor Nebel move to approve expending \$52,556.70 on Police Body Cameras. Motion carried 5-0 with a roll call vote.
